WHAT IS A ROAD HAZARD?

A road hazard is an object or condition not normally found on a public roadway, such as:

- Pot holes
- Nails
- Glass
- Other road debris

**This brochure is a brief summary and does not include all coverage details. For complete details and description of coverage, including terms, conditions, limitations and exclusions, please refer to the contract. Programs and coverages may vary by state/lender.*

PROTECT YOURSELF FROM ROAD HAZARD RELATED EXPENSES

Potholes. Nails. Unexpected debris. It's a bumpy road out there. Those bumps can damage your tires and wheels - and your wallet.

Tire & Wheel Protection can help eliminate the financial burden of tire and wheel repair/replacement due to a road hazard.

Tire & Wheel Protection also gives you Emergency Roadside Assistance for additional safety wherever you drive!
